

Draft Summary 2010-2014 Consolidated Plan Including the 2010 Action Plan

The Department of Commerce (COMMERCE) is developing policies for using limited federal funding to meet affordable housing, community development, and economic development needs in the State. The policies are contained in a document called the "Consolidated Plan" to be submitted to the U.S. Department of Housing and Urban Development (HUD), with a public comment period starting on February 26, 2010. The deadline for written comments is 9 a.m. on March 29, 2010.

This plan, which is intended to be in effect from April 1, 2010, through March 31, 2015, represents an effort by HUD to consolidate the application processes required of the State in accessing program funds of the Small Cities Community Development Block Grants (CDBG), the Home Investment Partnerships (HOME), the Emergency Shelter Grants (ESG) and the Housing Opportunities for Persons with AIDS (HOPWA).
